Managing Suicidal Conversations

Course Outline
Managing Suicidal Conversations gives people the skills and confidence to manage a conversation with someone who is having thoughts of suicide or showing signs of suicidal behaviour. The course is suitable for anyone whose role may bring them into direct contact with people experiencing suicidal thoughts or feelings.

Led by an expert Samaritans facilitator and using a variety of tools to encourage interaction and group learning, Managing Suicidal Conversations is a one-day course (available online or in-person) that is highly beneficial to organisations looking to develop their suicide prevention strategies.
